PARISH EMERGENCY ASSISTANCE

As a result, we seek to support expansion of these parishes to accommodate new membership and ministries. Moreover, crucial to our Catholic communities are our many parishes and missions in rural west Texas. Through the generosity of our parishioners in this campaign, the diocese will be able to provide operational and emergency support for rural parishes.

LOCAL PARISH NEEDS

Our local parishes have specific and unique needs also. By sharing diocesan funds with the parishes, we can achieve both the goals of the Diocese and the distinctive needs of the parishes – strengthening and bringing together our diocese as a whole.

WHY NOW?

For more than 105 years, the Diocese of El Paso has been committed to the growth and spiritual vitality of the people in West Texas. After prayerful consideration and much planning, we have launched the campaign to meet the vast and changing needs of our Diocese. As a community of over 700,000 Catholics, now more than ever is the time to support priestly vocations and diaconate formation, provide financial assistance so more students can attend Catholic Schools, to invest in the education and training of our religious education teachers, and to strengthen our parishes.

"I ask for you to reflect upon the many blessings and gifts you have received from God the Father's infinite mercy and generosity. We are called to be stewards of all we have been given, to use our gifts well, and to share what we have been given with others."
